

January 2023

Dear Parents, Guardians and Sixth Year students,

As we enter in the period of the Mock Leaving Certificate exams, we ask students to use the experience to plan for June.

Our hope is that each student achieves grades which they are pleased with, but we also remind Sixth Years that the purpose of a mock exam is to expose you to the experience in order to remove the unknown from the State Exams in June.

Pace yourself each day. Eat well and do not be afraid to take breaks from your study table. Get fresh air and go to sleep at reasonable times.

Do not waste energy comparing yourself to other people, follow your own path not theirs.

Remember above all that we are proud of you and we will support you on your journey. The mock exams are a learning experience so extract what they have to tell you and make that your strength as we approach June.

*Some Housekeeping notes:*
